ALCALDE'S HEARING DELAYED TWO WEEKS

Son of Former Junez Customs Collector Denies He Is the Man Indicted on

Aeroplane Smuggling Charge.

United States: The motion was based upon an affidavit sworn to by the defendent in open court that there were no names of witnesses on the indictment returned in Los Angeles. Names alleged to be on the indictment were alleged to be on the indictment were demanded as the defendant swore that he expected to prove by the government witnesses that none of the witnesses testified concerning the defendant's connection with the alleged conspiracy. For this reason it was held that the indictment was not a proper one. Bauche Alcaide further swore that he was not the person named in the indictment and denied that there is any evidence connecting him with the offence charged.

This was objected to by assistant district attorney Robert T. Nell who held that the defendant admitted to deputy marshal Charles Moore that he was the man named in the warrant and that he had been expecting it for some time.

The "Cadet" -- a Scientific Stocking For the School Girl and Boy

If you have any trouble finding stockings that wear, buy; the "Cadet"—it's the best that's made. We have it in five weights—extra light, light, medium, heavy and extra heavy. Blacks and tans in all sizes. The "Cadet" hosiery is better because the WELT is very elastic and never hinds the leg. KNEE: Special weave, very strong and durable, very elastic. Extra longalways in the right place. Rip-proof, rub-proof. Always comfortable. Always reaches and covers the knee of the wearer. INSTEP: Gusset of heel and edge of ribbed leg form a straight line over instep of stocking. Instep of wearer always in elastic ribbed part. No binding easy off and on. HEEL: Special linen, very strong and durable rib-proof and rub-proof. Toe: Hand finished, special linen, very strong and durable. No seams to touch any tender part of toe. Rip-proof—rub-proof. The "Cadet" guarantee covers every point above described. We will make good any stocking that fails to prove these points. 25 C

Benks Might Break Plan. The refusal of 10 percent of national banks in the different section

of the country to join the proposed system would make it impossible to secure the necessary \$5,000,000 capital for regional reserve banks in the middle states and in the Pacific cosst states. states and in the Pacific coast states, said Mr. Wade.

"It is my opinion," he said, "that if the present bill would pass today it would be absolutely inoperative tomorrow. You have discouraged by its forpe provisions the men who have built national banking up to its present development. If you attempt to put this bill through, calling for the organisation of 12 reserve banks with a capital

Threatsned to Pull Nose.

A nose pulling contest between John Kirby, fr., former president of the National Association of Manufacturers, and Martin M. Mulhall, one time lubbylist, threatened before the house lobby committee, but was prevented by chairman Garrett.

"I protest against that man sitting over there and making faces at me, roared Mulhall, interrupting his testimony and pointing at Kirby. "I cannot testify while he sits over there and sticks out his tongue at me. He did the same thing when I appeared before the senate committee. If he is a gentleman he will meet me outside; surely I'll pull his nose."

Chairman Garrett ordered Kirby to Chairman Garrett ordered Kirby to change his seat.

ALBUQUERQUE CITY HALL ALBUQUERGUE CITY HALL
Albuquerque, N. M., Sept. 4.—Thomas
Isherwood, president of the council,
drore a shovel into the ground on the
city hall yesterday and the new municipal building was started.

The councilman used an ordinary
spade. He found the ground hard, but
he buried the biade and lifted a generous spade full of dirt. Mayor Sellers
